

## Confirmed Lenders' Chart – Québec

### Alterna Bank

#### Standard Approved Exceptions for Schedule "A"<sup>1</sup>

The following are defined for the purposes of this chart as "Standard Approved Exceptions." Where they apply, they do not need lender approval prior to release of funds:

1. registered restrictions or covenants running with the land, provided there is no specific instance of non-compliance;
2. minor servitudes for the supply of domestic utility or telephone services to the property or adjoining properties;
3. servitudes for drainage, storm or sanitary sewers, public utility lines, telephone lines, cable television lines or other services which do not materially affect the present use of the property.

#### Post-Closing Documents

Always use the TitlePLUS form of Final Report with the documents listed in this column unless stated differently below.

**Glossary:** "if provided" means "if provided by the lender for you to have executed."

Approved Exceptions for Schedule "A" <sup>1</sup>	Send pre-closing Confirmation to Mortgage Lender <sup>2</sup>	Send pre-closing Requisition for Funds?	Post-Closing Documents
None. Any exceptions to coverage (other than the lender's own mortgage) must be approved by the lender in advance of closing.  Please note that this lender does not accept line of credit and/or collateral mortgages.	Follow the lender's own instructions.	Follow the lender's own instructions.	Follow the lender's own instructions.

<sup>1</sup> An "approved exception" must be included in Schedule "A," but you do not need specific lender approval for it. Schedule "A" may also always include the lender's own mortgage and any related security documentation without the need for approval.

<sup>2</sup> Notwithstanding the individual lender instructions in this chart, the Confirmation is always required to be sent where additional inquiries or verifications (that is, beyond those demanded by the TitlePLUS program) are requested by the lender or you are asking the TitlePLUS program to "insure over" any title problems/outstanding issues. Additional instructions/"insure over" requests must be set out in a schedule and attached to Confirmation.

- <sup>1</sup> An "approved exception" must be included in Schedule "A," but you do not need specific lender approval for it. Schedule "A" may also always include the lender's own mortgage and any related security documentation without the need for approval.
- <sup>2</sup> Notwithstanding the individual lender instructions in this chart, the Confirmation is always required to be sent where additional inquiries or verifications (that is, beyond those demanded by the TitlePLUS program) are requested by the lender or you are asking the TitlePLUS program to "insure over" any title problems/outstanding issues. Additional instructions/"insure over" requests must be set out in a schedule and attached to Confirmation.

## Confirmed Lenders' Chart – Québec

### Royal Trust Corporation of Canada

#### Standard Approved Exceptions for Schedule "A"<sup>1</sup>

The following are defined for the purposes of this chart as "Standard Approved Exceptions." Where they apply, they do not need lender approval prior to release of funds:

1. registered restrictions or covenants running with the land, provided there is no specific instance of non-compliance;
2. minor servitudes for the supply of domestic utility or telephone services to the property or adjoining properties;
3. servitudes for drainage, storm or sanitary sewers, public utility lines, telephone lines, cable television lines or other services which do not materially affect the present use of the property.

#### Post-Closing Documents

Always use the TitlePLUS form of Final Report with the documents listed in this column unless stated differently below.

**Glossary:** "if provided" means "if provided by the lender for you to have executed."
